

Spring, 2015

Private lessons,  
group classes, &  
workshops for  
youth and adults

The Shedd Institute  
Community Music School  
**Spring Term, 2015**  
(March 29 - June 7)

**Spring 2015 Dates.** Classes begin Sunday, March 29 and meet **weekly** through Sunday, June 7, with Monday, May 25 (Memorial Day) off.

**Late Enrollment.** Many classes may be joined in progress (sometimes 1 or 2 “catch-up” private lessons will be required) with prorated tuition. Occasionally a class permits “drop-ins”, but check first to make sure the class is taking place.

**Tuition, Class Sizes, & Cancellation Policies.** Class tuition is based on minimum enrollment and classes that do not meet that enrollment will need to be cancelled. In such cases, we will refund or credit each enrolled student’s tuition, prorated by the number of cancelled class sessions. In most cases The Shedd Institute can arrange private or semi-private small group alternatives for the cancelled class, or suggest an alternative Shedd Institute music class.

**Missed Days & Withdrawals.** There are no discounts, refunds, or credits for class sessions not attended. Students may withdraw from a class and receive a prorated credit (which may be used towards other Institute programs) through the 4th session, subject to a cancellation fee of \$25.

**Class Age & Skill Levels.** The Shedd Institute welcomes students of all ages and accommodates different physical and learning abilities. Age levels for classes are meant only as guidelines. Skill level is a more inflexible prerequisite, since the courses have been designed for optimal instructional content.

**Se habla español.** Call **541.434.7015** or come in to The Shedd Institute in person and ask for the Registrar for assistance.

**Instrument Rental.** If you don’t have an instrument, one can be rented affordably from The Shedd’s instrument bank.

**Need-based Scholarships** are available to qualifying families for classes, special Music School programs, and, in some cases, private lessons. Ask for an application.

# Private & Semi-Private Lessons

**O**ur goal is that music-making becomes a fun and cherished part of everyday life. Students of any age and ability are encouraged to experiment with different instruments, instructors, musical styles and other music-related subjects. Students are never required to perform in front of others, but may elect to share their learning during term-end recitals. We currently offer private lessons as listed below. If you don’t see your instrument of choice, give us a call—we add new instructors and instruments continually and make every effort to fill requests. All Shedd Institute instructors meet high performance, teaching, and ethical standards.

**Private Lessons.** Private lessons may be started at any time and are ongoing,

throughout the year. Generally lessons are scheduled weekly and range from ½, ¾ to 1 hour in length. Rates depend on the instructor and range from \$19 to \$27 per ½ hour. Tuition is payable by the lesson, autopay, or monthly in advance

## Semi-Private Lessons.

Bring a friend or family member and have fun in music lessons together! This is a great opportunity for siblings and parents to learn an instrument together. Semi-private lessons can be arranged for 2-4 students, are tailored to fit your needs, and are structured similar to private lessons: ½, ¾ and 1 hour. A sliding rate scale based upon the size of the group makes this an affordable alternative to private lessons.

Maribeth Soderberg  
& Shedd faculty, instructors

K-5: Wednesday, 4-4:50 pm

Tuition: \$78/10 sessions

**H**ow should your child pick the “right” musical instrument? Music Box provides an introduction to the world of music with an exploration of different instruments, songs, musical styles, and some music basics to help them discover the right “fit”. Each week, Maribeth Soderberg will introduce a new song from our Music Box CD (ranging from spirituals, folk, jazz, bluegrass and more) followed by a hands-on introduction to a new instrument by a Shedd faculty member. Each session will present a multi-dimensional context of film, history, geography, nature, and language to make every workshop richer, more educational, and fun! Parents, grandparents, or guardians are strongly encouraged to attend the class to support the child’s exploration.
