

The John G. Shedd Institute for the Arts MUSIC School

Fall, 2016 Private lessons, classes, workshops & special events for youth and adults

Private & Semi-Private Lessons

Our goal is that music-making becomes a fun and cherished part of everyday life. Students of any age and ability are encouraged to experiment with different instruments, instructors, mu-

sical styles and other music-related subjects. Students are never required to perform in front of others, but may elect to share their learning during term-end recitals. We currently offer private lessons as listed below. If you don't see your instrument of choice,

give us a call—we add new instructors and instruments continually and make every effort to fill requests. All Shedd Institute instructors meet high performance, teaching, and ethical standards.

Private Lessons. Private lessons may be started at any time and are ongoing, through-

out the year. Generally lessons are scheduled weekly and range from $\frac{1}{2}$, $\frac{3}{4}$ to 1 hour in length. Rates depend on the instructor and range from \$20.25 to \$25.00 per $\frac{1}{2}$ hour. Tuition is pay-

able by the lesson, autopay, or monthly in advance

Semi-Private Lessons. Bring a friend or family member and have fun in music lessons together! This is a great opportunity for siblings and parents

to learn an instrument together. Semi-private lessons can be arranged for 2-4 students, are tailored to fit your needs, and are structured similar to private lessons: $\frac{1}{2}$, $\frac{3}{4}$ and 1 hour. A sliding rate scale based upon the size of the group makes this an affordable alternative to private lessons.

The Shedd Institute Community Music School Fall Term, 2016 (September 25 - December 11)

Fall 2016 Dates. Classes begin Sunday, September 25 and meet **weekly** through Saturday, December 17, with Veterans Day (Nov 11) and Thanksgiving plus the day after

(Thu-Fri, Nov 24-25) off.

Late Enrollment. Many classes may be joined in progress (sometimes 1 or 2 "catch-up" private lessons will be required) with prorated tuition. Occasionally a class permits "drop-ins", but check first to make sure the class is taking place.

Tuition, Class Sizes, & Cancellation Policies. Class tuition is based on minimum enrollment and classes that do not meet that enrollment will need to be cancelled. In such cases, we will refund or credit each enrolled student's tuition, prorated by the number of cancelled class sessions. In most cases The Shedd Institute can arrange private or semi-private small group alternatives for the cancelled class, or suggest an alternative Shedd Institute music class.

Missed Days & Withdrawals. There are no discounts, refunds, or credits for class sessions not attended. Students may withdraw from a class and receive a prorated refund through the 4th session, subject to a cancellation fee. The Shedd Institute cannot offer a monetary refund after the class has already begun; a prorated credit will be given towards future classes.

> Class Age & Skill Levels. The Shedd Institute welcomes students of all ages and accommodates different physical and learning abilities. Age levels for classes are meant only as guidelines. Skill level is a more inflexible prerequisite, since the courses have

been designed for optimal instructional content.

Workshops. Guest Artist workshops are held throughout the year with our visiting concert artists as schedules permit. Shedd students receive special discounts and invitations to these workshops.

Se habla español. Call **541.434.7015** or come in to The Shedd; ask for the Registrar.

Instrument Rental. If you don't have an instrument, one can be rented affordably from The Shedd's instrument bank.

Need-based Scholarships are available to qualifying families for classes, special Music School programs, and, in some cases, private lessons. Ask for the Registrar.

Visit www.theshedd.org/MusicSchool for more details on all of the Institute's classes!
